

Gloria Desideri is a Registered Movement Therapist and Educator, a Certified Teacher of Body-Mind Centering® and an Infant Developmental Movement Educator. She is also a Certified Kinetic Awareness™ Teacher and a practitioner of Somatic Experiencing® (dr. Peter Levine's work on trauma healing). With a background as a dancer and choreographer, she has chosen the field of child development as one of her main interests. Since 1999, she has collaborated with the Italian Public Health Service of Viterbo (ASL-VT) creating and implementing special projects for children with severe disabilities. Since 2002, she has also collaborated with the City of Viterbo directing training and coaching programs for educators and caregivers of the DayCare Centers. In 2004 she founded the LEBEN Cultural Association for which she serves as President. Since 2006 she directs BMC@ training programs (IDME and SME) based in Tuscania, Italy. She has a private practice in Tuscania and in Rome working with children and adults.
